When you get a chance after you meet with HQ, if you can give me a call we can chat about it.

That's ok. I was going to see if you had any interest being on a call with HQ at 9:00 to discuss Selenium. No need. Seriously.

In a nutshell ND proposes to adopt just the fish flesh criteria and retain their water column values and down the road would work toward adopting EPA's revised 304(a) Se water column #s. **Ex. 5 Deliberative Process (DP)**
